material to support his apprehension of danger to life came to the fore.

The direction by Justice Manjari Nehru Kaul of the High Court came after counsel for the State of Haryana "feigned total ignorance about any such statement, which is supposedly doing the rounds of the social media or even any danger to the life of the petitioner as has been pleaded today by the counsel for the petitioner".

In his petition against the

through counsel Mandeep Kaushik and Amit Agnihotri, was seeking directions for providing him a bullet-proof jacket in and outside the jail premises as he was apprehending threat to his life "at the hands of some of his rivals/gangsters".

Justice Kaul asserted that the petitioner's counsel failed to bring to the court's notice any convincing material other than social media report, from which it could be inferred that the petitioner's life was under

tions as prayed for.

"The petitioner is lodged in the Central Jail, Bathinda which is already designated as a high-security prison. However, in case, any cogent material to support the apprehension of the petitioner qua danger to his life comes to the fore, he would be at liberty to approach the authorities concerned by way of an appropriate application/representation in the said regard," the Bench concluded.

The recruitments are being done by the Haryana Kaushal Rojgar Nigam.

The spokesman claimed the 21-day online course was not valid for the post of coach and no candidate had been recruited without the prescribed qualification.

"Rather the candidate must have pursued a level-2 certificate course in yoga or 400-hour certificate course along with a graduation degree in the field from an accredited university," the spokesman added. — TNS

9 held for attacking photo studio owner

KURUKSHETRA, JUNE 7
The CIA-2 unit of the police has arrested nine persons for allegedly attacking a photo studio owner in Umri village.

The police have recovered three country-made pistols, 10 live cartridges and three bikes from their possession.

Complainant Mahinder Singh of Umri village alleged the accused — Rahul, Rohit, Sandeep, Abhishek, Vijay, Yashpal, Jahanbaz, Savinder and Gaurav — attacked him in his studio on June 1.

ASP Karan Goel said: Mahinder said three youths entered his studio and attacked him, while others

Mastermind still at large; 3 pistols seized

stood outside. They threatened to kill him and fled. A case was registered under the Arms Act and attempt to murder charges. However, mastermind Vicky is still at large."

The accused said in October last year, Vicky's car had a minor accident and he had a verbal spat with the truck driver. Some shopkeepers, including Mahinder, favoured the truck driver, after which Vicky held a grudge and planned the attack. — TNS

Farmers transplant Saathi, early paddy variety, in a Karnal field.

Defying ban, farmers transplanting paddy

KARNAL, JUNE 7
Despite the ban, farmers continue to transplant paddy in different parts of the district.

The government has restricted farmers to sow the nursery of paddy before May 15 and not to transplant before June 15, otherwise a penalty of Rs 4,000 per acre will be imposed.

Farmers say they transplant the short-duration paddy variety to cover up the loss incurred in wheat crop due to the early arrival of summer which not only shrunk the wheat grains but also reduced the production by 5-8 quintal per acre.

"We have no option but to transplant the early variety of paddy as it will help us meet the losses incurred during the wheat season due to the early arrival of summer," said Naresh Kumar, a farmer of the

Curbs till June 15 to save groundwater

Nilokheri block.

Farmers can be seen transplanting paddy even along the National Highway-44, Indri road, Assandh road, Kachwa road, Kaithal road and other parts of the district.

The Agriculture Department said it had not only issued notices to 44 farmers but imposed a fine of Rs 4,000 per acre each on farmers for violating the guidelines of the state government," said Aditya Dabas, deputy director agriculture (DDA).

He said paddy had been destroyed in around 30 fields so far in this season. Dabas said teams at the block level had been constituted to monitor the violation. — TNS
